Your faith in our school means everything to us. It inspires us to strive for greatness on a daily basis, to develop a loving environment that fosters curiosity, creativity, and character, and to deliver the finest educational experience possible for every student.

Thank you for being an important part of the Greenway Academy family. Your encouragement, support, and participation are invaluable. Inshallah, an amazing journey of learning and exploration awaits!

**Few achievements from August:** Teachers received HMH training during the second week of school and also, committed a Saturday to professional development during the third week of school .

Their next training is scheduled for September 5th and 6th from the HMH program.

**Security:** GA will never jeopardize security. Our faculty and staff received active shooter training, putting the safety of our school community first.
