FROM THE PRINCIPAL

Message from The Principal:

Assalamu Alaikum Dear Parents,

I am extremely blessed to serve as the Principal of this amazing school, Alhamdulillah. Each day, I am filled with gratitude for this opportunity to make a difference in our student's education.

Greenway Academy continues to stay committed to our mission to educate children to strive and grow together, guided by the teachings of the Quran and Sunnah.

Our focused staff has done a great job in getting the school year off to a remarkable start. The leadership of our Imam, School Board Members, and the support of our families, has been amazing in providing a safe and nurturing environment.

I am grateful for the volunteers who are supporting our school.

We've recently launched the "Being Muslim" program, which you may have received an email about. Your input and ideas are always welcome, and I am here to ensure that this year is the best for both students and parents.

Thank you for being part of our special school community.

Respectfully,
Mrs. Ahmed
