

December | 2023

### From the principal,

Assalamu Alaikum Dear Greenway Academy parents, As the second quarter draws to a close, I find myself looking back on the previous few months and seeing how much our students have accomplished, demonstrated resilience and a steadfast commitment to success. I want to express my gratitude to the teachers and students for their hard work.

Thank you to everyone who came to the meeting last Friday, a lot of information was given out regarding the financial obligations, and school achievements so far. I hope to see more in future meetings.

With best wishes,  
Mrs. Ahmed

### Important Dates

Important Dates to Keep in Mind  
Mark your calendars for the upcoming tests on Arabic, Quran, and Islamic Studies from December 11th-15th.

## Reminders for a Successful School Year

### Fueling Success:

#### Celebration Food Guidelines:

🍰 Celebration Guidelines: All student-provided celebration food must be approved by the **administration**. Note: Perishable items like cakes and cookies are not allowed.

#### Lost and Found:

📁 Check Lost and Found: Parents, please check the Lost and Found for any missing items.

#### Personal Hygiene Tips:

🚿 Stay Fresh and Healthy: Remind your child to take regular showers, brush teeth twice a day, trim nails, change clothes daily, wear clean socks and shoes, cover mouth when sneezing, use deodorant, and get enough sleep.

#### Positive Learning Environment:

📅 Your Cooperation Matters: Parents, your proactive involvement in your child's education and adherence to guidelines contribute to a positive learning environment. Thank you for your understanding.

#### Attendance Matters:

📞 Call for Absences to the Attendance Line: Parents, if your child is unable to attend school, please call the attendance line and provide the necessary information. Prompt reporting helps us maintain accurate records and ensures the safety of all students. Thank you for your cooperation in keeping attendance up to date.

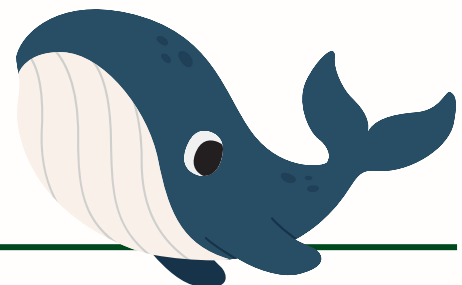

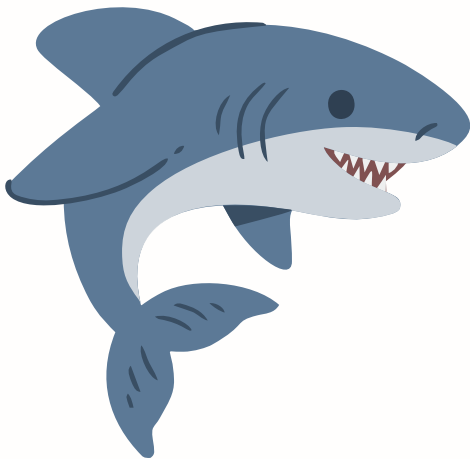

# SNEEK PEEK

## Kindergarten

The kindergarten students had a fantastic day at Odysea Aquarium recently, where they actively participated in hands-on exploration and interactive learning. The significant impact of this learning trip was made possible by the devotion of our teachers, staff, and volunteers, all of whom played a critical role in improving the overall experience.

# SNEEK PEEK

1st & 2nd Grade

1st and 2nd graders engaged in exciting research topics in November. They studied the sun's journey across the sky, igniting their interest in astronomy. They also explored animal parenting, discovering heartwarming tales and fostering a deeper appreciation for nature's bonds through engaging lessons and creative projects.

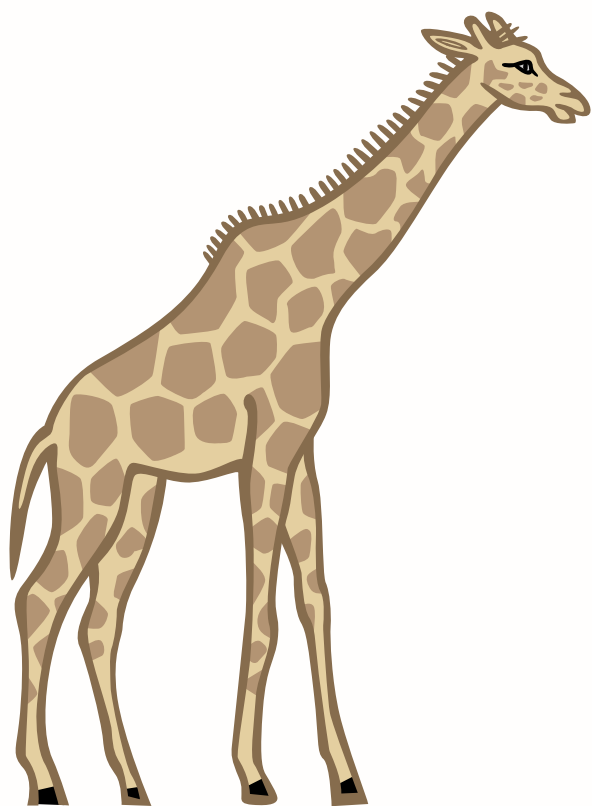

# SNEEK PEEK

3rd & 4th Grade

Our third and fourth graders are flourishing on their academic journey, demonstrating remarkable growth and enthusiasm for learning. These young minds are embracing new challenges with curiosity and determination, expanding their knowledge across various subjects. As they navigate through the educational landscape, their ability to think critically, solve problems, and express themselves is blossoming. With each passing day, these students are not just acquiring facts but developing essential skills that will serve as the foundation for their future academic success. The classroom is a vibrant space where ideas are explored, creativity is nurtured, and a love for learning is cultivated. It's inspiring to witness our 3rd and 4th graders on this transformative path, poised for even greater achievements in the academic realms that lie ahead.

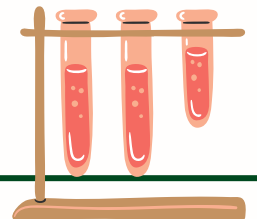

# SNEEK PEEK

5th, 9th Grade

Our 5th to 9th-grade students dove on an unforgettable adventure at the Arizona Science Center, immersing themselves in the wonders of space, hands-on experiments, and cutting-edge technology. The experience was thrilling from start to finish. The excitement didn't end there; our fantastic teachers hosted a pizza party, which turned the field trip into an absolute blast, fostering laughter, learning, and lasting memories.

# NOVEMBER FIELD TRIPS

In November, three carefully planned field trips to OdySea Aquarium, Wildlife World Zoo, and the Arizona Science Center were highly successful. Students enjoyed immersive experiences, learning about marine life, wildlife conservation, and various scientific principles. The excursions not only deepened academic knowledge but also fostered camaraderie. Positive feedback from students and teachers highlighted the memorable and enriching nature of these outings.
