Message from the principal,

At Greenway Academy, we continue to provide a well-rounded education to the children, so they not only receive rigorous instruction but also enjoy special area classes each day. Thank you for keeping your child focused on academics and continuing to work with them over the winter break by having them read and practice their math skills daily. We focus strongly on academics while not forgetting that our students need many things to flourish. There are many factors that make us who we are, and I truly believe in what we do here. It is what I value most. Thank you to all who are a part of this special campus. Together we are accomplishing great things.

Mrs. Ahmed, Principal

We would like to share the success of our recent assembly at Greenway Academy, where we had the pleasure of acknowledging and celebrating the outstanding achievements of our students. During this event, we proudly presented certificates to our students for their excellence in honor roll, leadership, penmanship, and various other commendable qualities.

The assembly served as a momentous occasion to recognize and appreciate the hard work, dedication, and exemplary behavior demonstrated by these exceptional students. Their commitment to academic success, leadership, and penmanship has not gone unnoticed, and it is with great pride that we honor them for their achievements.

We extend our sincere congratulations to all students and express our gratitude to the entire school community for fostering an environment where such accomplishments can flourish.

With themed days like PJ Day, Crazy Hair Day, and Twinning Day, the school became a stage of giggles, funky hairdos, and matching outfits. It was like a magical potion of happiness that brought everyone together in a blur of creativity and teamwork. Hats off to all the amazing folks who made this a week to remember!
