2026–2027 School Year Financial Information

Tuition and Fees

The success of Greenway Academy (GA) depends on its financial stability. As a non-profit, privately funded institution, GA supports its operations through tuition and fees, donations, and fundraising efforts. Tuition is the primary source of income; therefore, it is essential that families meet their financial obligations in a timely manner.

- The current tuition for students in kindergarten through 6th grade is **\$15,000 per year**.
- The tuition payment structure is available on the school's website.
- Students eligibility for any discount is determined solely at the discretion of the school administration.

Payment Options

- Cash or check payments may be submitted at the Greenway Academy front office.
- Zelle payments are also accepted.
