This Month in Our School

Tolmachoff Farms Field Trip – Oct. 7, 2025

Important Reminders:

- Arrive on time – all students leave and return with the school, even if the parent is a chaperone.
- Non-participating students will stay at school.
- Lunches must be in disposable bags – no backpacks needed.
- Full school uniform is required.
- Parents may sign out students after return, but students must come back to school first.

Thank you for helping us keep the day safe and organized!

1st Graders Learn Suratul Fil

Alhamdulillah, under Mr. Saad's guidance, our first graders are learning Suratul-Fil. They are practicing the verses, understanding the meaning, and reflecting on the lessons from this blessed surah. Mashallah to our young learners!

Important Dates

Sep 29th – Oct 3rd | Fall Break No School
Oct 6th | Back from fall break
Oct 7th | Field Trip to Tolmachoff Farms
Oct 10th | End of the first Quarter
Oct 15th | Report Cards go home
Oct 16th – | Early release & Parent Conferences
Oct 17th | Early release & Parent Conferences
Oct 31st | Early release

Wash Those Hands!

Clean hands = happy health! Encourage your child to wash with soap and water for at least 20 seconds—especially before meals, after bathroom breaks, and after sneezing or coughing. Let's keep those germs away!

Healthy Habits = Strong Bodies

Fuel up with colorful fruits, crunchy veggies, and plenty of water. A good night's sleep helps your child stay focused and energized. Let's build strong minds and strong bodies together!

Feeling Sick? Stay Home & Rest Up

If your child isn't feeling well, please keep them home to recover. This helps protect classmates and staff. Don't forget to call the Attendance Line at (602) 312-4603 to report absences.

Celebration Guidelines

Planning a classroom celebration?

Only pre-approved, non-perishable snacks are allowed (no cakes or cookies).

Goodie bags are welcome—make sure every student receives the same treats. (Halal snacks only)

Thank you for keeping it inclusive!

Hygiene Heroes

Help your child feel fresh and confident:

Daily showers

Clean clothes and socks

Neat grooming

Let's make hygiene a daily win!

Positive Learning Starts with You

Your support makes all the difference. By following these simple guidelines, we create a safe, joyful, and inspiring space for every student to shine.

Kindergarten

Our Kindergarten students continue to express their imaginations through creative projects. Recently, they have been working on colorful hot air balloons! 🎈 They enjoy coloring, designing, and sharing their ideas with one another.

These projects regularly encourage them to use their creativity, practice teamwork, and strengthen their learning skills in a fun and engaging way.

1st Graders Explore the Muslim World!

Our first graders are becoming little world travelers in Social Studies. They've begun with Pakistan and Saudi Arabia, learning about the cultures, traditions, and importance of these Muslim countries.

After discovering fun facts, the students carefully colored the green flag of Pakistan and the green-and-white flag of Saudi Arabia. Their classrooms now shine with colorful maps, flags, and creative artwork as they celebrate the beauty of the Muslim world.

2nd Graders' Sweet Science

Our second graders had a hands-on blast with a fun science project this week! Using marshmallows and sticks, they built towers, bridges, and creative structures while learning about balance, stability, and engineering.

Alhamdulillah for the chance to explore and create!

The classroom was full of laughter, teamwork, and a few sticky fingers as students experimented with different designs. Their towers wobbled, leaned, and sometimes toppled, but every attempt was a step toward discovery. What a deliciously fun way to learn science!

Fall is Here!

Mashallah, our students are learning, growing, and getting creative as the beautiful fall season begins! From making art to exploring new ideas, every activity shows their curiosity and imagination at work.

Our 4th graders are working hard as they prepare for their weekly tests, showing dedication and focus.

Meanwhile, our 3rd graders had a blast creating surprise folding art this month. Hidden details popped out: hot peppers screaming and shooting fire! Mashallah to all our talented students!

5th Grade's Little Poets

Our 5th graders turned their classroom into a mini poetry café in their ELA class this month. Under the guidance of Ms. Shaymaa, they shared their work with classmates, filling the room with creativity, laughter, and applause.

Osman wrote about "stubbed toe", Lareen about "cat", Abdul about "Wi-Fi", and Ali about "lost sock".

It was a wonderful celebration of imagination and self-expression, alhamdulillah!

Curriculum Nights

Alhamdulillah, we've successfully hosted two wonderful Curriculum Nights! Our dedicated teachers worked tirelessly to prepare meaningful presentations for our families, and their efforts in the classrooms continue to shine every day. We are deeply grateful to all the parents for their support, attendance, and ongoing partnership. Together, as one Ummah, we strive to nurture our students in both knowledge and character. May Allah (SWT) continue to bless our journey of learning and growth.

STEM CORNER

Mashallah, our 5th graders had a hands-on STEM session using a STEM kit. They explored concepts like center of mass, balance, and levers, turning a simple seesaw into a real physics lesson! Dr. Zeynel explained the math behind it, reminding everyone that science without math is just play; science with math is fun and smart! It was wonderful to see students learning, experimenting, and discovering in a truly hands-on way.

PARENTS' CORNER

Research shows that children thrive with both love and discipline. Pairing this with high expectations and guidance helps them grow confident and responsible.

Tips for Parents:

- **Show Love:** Praise, hugs, listen, and spend quality time.
- **Discipline:** Set clear rules, follow through consistently, and teach problem-solving.
- **High Expectations:** Set goals together, encourage challenges, and celebrate effort.
- **Guidance & Structure:** Keep routines, support learning, and help plan tasks.

With love, discipline, and structure, children feel secure, motivated, and ready to succeed, inshaAllah!
