Wash Those Hands!

Clean hands = happy health! Encourage your child to wash with soap and water for at least 20 seconds—especially before meals, after bathroom breaks, and after sneezing or coughing. Let's keep those germs away!

Healthy Habits = Strong Bodies

Fuel up with colorful fruits, crunchy veggies, and plenty of water. A good night's sleep helps your child stay focused and energized. Let's build strong minds and strong bodies together!

Feeling Sick? Stay Home & Rest Up

If your child isn't feeling well, please keep them home to recover. This helps protect classmates and staff. Don't forget to call the Attendance Line at (602) 312-4603 to report absences.

Celebration Guidelines

Planning a classroom celebration?

Only pre-approved, non-perishable snacks are allowed (no cakes or cookies).

Goodie bags are welcome—make sure every student receives the same treats. (Halal snacks only)

Thank you for keeping it inclusive!

Hygiene Heroes

Help your child feel fresh and confident:

Daily showers

Clean clothes and socks

Neat grooming

Let's make hygiene a daily win!

Positive Learning Starts with You

Your support makes all the difference. By following these simple guidelines, we create a safe, joyful, and inspiring space for every student to shine.

RAMADAN TIPS FOR STUDENTS & FAMILIES

Students

- Say Something Kind Each Day

Kindness is a beautiful act of worship. A kind word can bring you closer to Allah.

- Read a Little Qur'an

Even one verse a day counts. Every small effort is rewarded.

- Do a Daily Good Deed

Help a friend, listen to your teacher, or clean up without being asked.

Practice Patience

Be gentle with your words and actions – especially when tired or hungry.

For Families

- Create a "Good Deeds Jar."(Example)

Each family member adds one deed they did that day. Read them together at iftar.

- Make a Simple Dua List

Write a few personal duas and read them with your children every night.

- Talk About Gratitude

At dinner or before bed, everyone says one thing they're grateful for.

- Read a Short Islamic Story Together

Just 5 minutes a night helps build a peaceful Ramadan routine.

☀️ A Blessed Month to All

May this Ramadan bring peace, joy, and blessings to our Greenway Academy community.

All grade levels participated in a special Health and Nutrition lesson! Students watched an engaging video about healthy and unhealthy foods and explored how the foods we eat affect our bodies—everything from energy levels to growth and overall wellbeing. They learned why making healthy choices matters and discovered fun, nutritious options they can enjoy every day. Our students loved the lesson and were excited to share what they learned!
