Wash Those Hands!

Clean hands = happy health! Encourage your child to wash with soap and water for at least 20 seconds, especially before meals, after bathroom breaks, and after sneezing or coughing. Let's keep those germs away!

Healthy Habits = Strong Bodies

Fuel up with colorful fruits, crunchy veggies, and plenty of water. A good night's sleep helps your child stay focused and energized. Let's build strong minds and strong bodies together!

Feeling Sick? Stay Home & Rest Up

If your child isn't feeling well, please keep them home to recover. This helps protect classmates and staff. Students with a fever must remain home until they have been fever-free for 24 hours without fever-reducing medication.

Please report absences by calling the Attendance Line at (602) 312-4603.

Unreported absences may be marked unexcused.

Morning Drop-Off & Afternoon Pick-Up

For the safety and efficiency of our car line, please remain in your vehicle during drop-off and pick-up and help keep traffic moving. If your child needs assistance getting in or out of the vehicle, please park in a designated parking space before assisting them. Encouraging independence helps students build confidence and responsibility.

Campus Access & Visitor Guidelines

- Parents and visitors must obtain a visitor pass from the front office before entering campus.
- Morning drop-off should occur only in designated drop-off areas.
- Parents should not enter classrooms, the cafeteria, or other school areas without prior authorization.
- No one may enter the school building without permission.

If you need to speak with a teacher, please email them or contact the front office to schedule an appointment.

The school day begins promptly at 8:05 a.m.

- Students arriving after 8:05 a.m. must be signed in by a parent or guardian at the front office.

Teacher Accomplishments: First Quarter Highlights

Teacher Accomplishments: First Quarter Highlights

As the first quarter comes to an end, we would like to celebrate the accomplishments of our dedicated teachers. This quarter, our staff participated in several professional development opportunities, including an exceptional training through the Department of Education focused on effective classroom management. Teachers have been actively implementing the strategies they learned, helping to create positive, well-structured, and engaging learning environments for our students.

We are proud of the teamwork, collaboration, and commitment our teachers demonstrate each day. Thank you to our outstanding staff for their dedication to continuous growth and student success! 🍎📚✨

Student Talent Showcase Assemblies

Each week, our students eagerly participate in our Student Talent Showcase Assemblies, a special opportunity to share their talents, skills, and learning with the entire school community. Whether presenting something they have learned in class, reciting memorization, demonstrating a special skill, or sharing a creative project, students are encouraged to step forward with confidence and enthusiasm.

These assemblies have become a favorite weekly activity, helping students build public speaking skills, strengthen school spirit, and celebrate one another's achievements. We are delighted to see the dedication, courage, and excitement our students demonstrate each week.

Below are a few photos highlighting these wonderful moments and showcasing the engagement and growth of our Greenway Academy students
