☐ **Wash Those Hands!**

Clean hands = happy health! Encourage your child to wash with soap and water for at least 20 seconds—especially before meals, after bathroom breaks, and after sneezing or coughing. Let's keep those germs away!

☐ **Healthy Habits = Strong Bodies**

Fuel up with colorful fruits, crunchy veggies, and plenty of water. A good night's sleep helps your child stay focused and energized. Let's build strong minds and strong bodies together!

🏠 **Feeling Sick? Stay Home & Rest Up**

If your child isn't feeling well, please keep them home to recover. This helps protect classmates and staff. Don't forget to call the Attendance Line at (602) 312-4603 to report absences.

🎉 **Celebration Guidelines**

Planning a classroom celebration?

Cognia Certification Announcement

Alhamdulillah, we are excited to share that our school has officially received our Cognia certification, and we are proud to present this achievement to our Greenway Academy families. This certification reflects the hard work, dedication, and continuous improvement of our entire school community—teachers, staff, parents, and students. We are grateful for this recognition and look forward to using it as motivation to keep growing, learning, and providing the best educational experience for our children. Thank you for being an essential part of this journey.

Greenway Academy Parent Council (GAPC) Announcement

We are happy to share that the Parent Council has launched two new committees designed to strengthen communication and partnership between our school and families. These committees will help us work together more closely, support student success, and build a stronger school community. If any parents are still interested in joining, you are more than welcome to contact us—we would love to have you involved.

✦✦ Education Committee

This committee will work alongside teachers and staff to support academic programs, share feedback, and help enhance learning experiences for our students. It will also focus on building stronger communication between the school and families about curriculum and educational needs.

✦✦ Disciplinary Committee

This committee will help promote fairness, consistency, and positive behavior by giving parents a voice in discussions related to school expectations. It will support the school in building a safe, respectful environment rooted in teamwork between parents and staff.

December Food Drive for ICNA Relief

Alhamdulillah, in December, our students quietly came together to support the ICNA Relief Pantry through our school food drive. With sincere hearts, they brought in donations that have now been delivered to ICNA Relief to help families facing difficult times. We are deeply grateful to our parents for their generosity and support, as none of this would have been possible without your kindness. May Allah accept everyone's efforts and allow our school community to continue giving with humility, compassion, and a spirit of service.

Celebrating Our Students: December Achievement Assembly

Alhamdulillah, December's student recognition assembly reminded us of the beauty of effort and intention. Every student was honored with a certificate reflecting their unique gifts-academic excellence, perfect attendance, kindness, or consistent effort. Our teachers celebrated each child with heartfelt appreciation for their hard work. May Allah continue to bless our students with knowledge, good character, and success in all they do.

December Learning Highlights

Alhamdulillah, our kindergarten through 6th-grade students had an exciting and productive month in December, filled with hands-on science projects, creative art activities, and meaningful learning in every classroom. Their curiosity and hard work shone as they explored new ideas, built projects, and expressed their creativity in so many beautiful ways. Along with all their learning, students also earned fun picnic days and enjoyed a wonderful time outdoors—laughing, playing, and building strong friendships. We are truly proud of their efforts and grateful to Allah for blessing our school with such joyful learners.

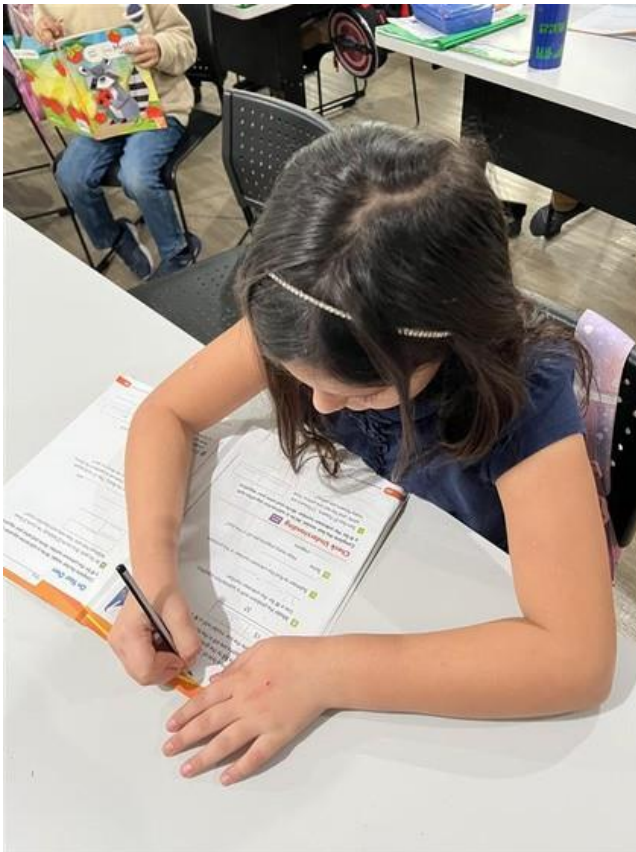

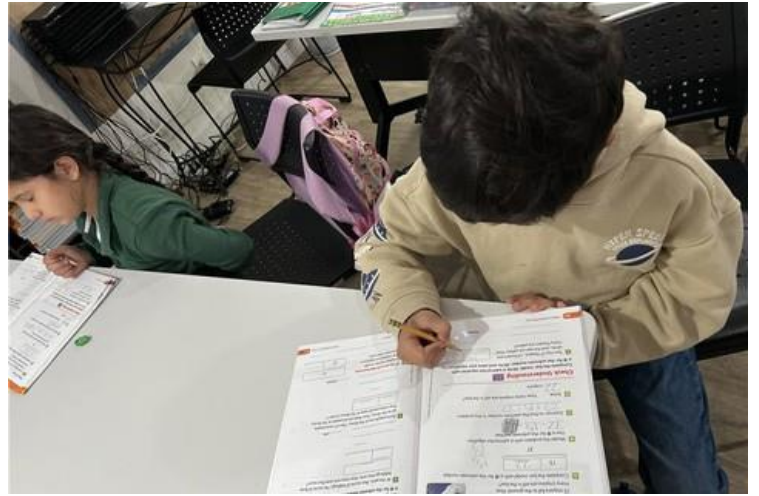

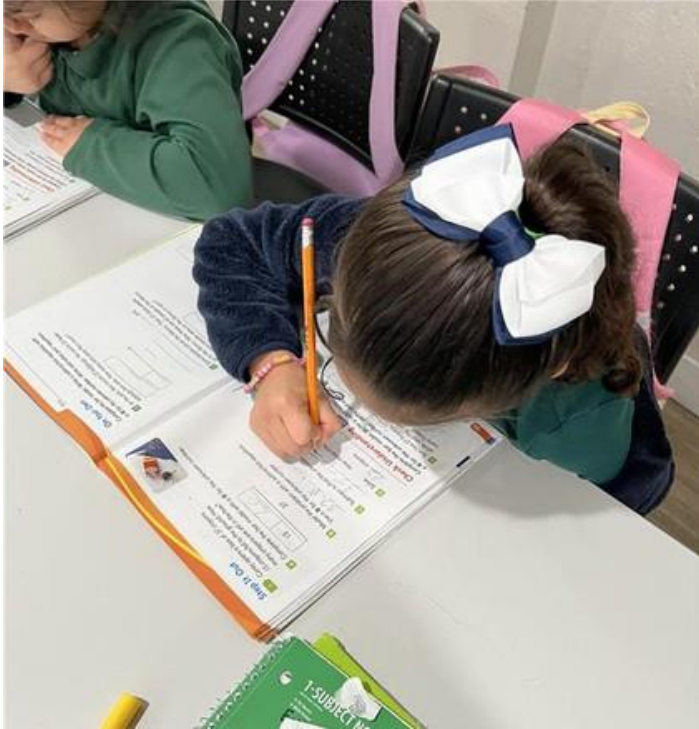

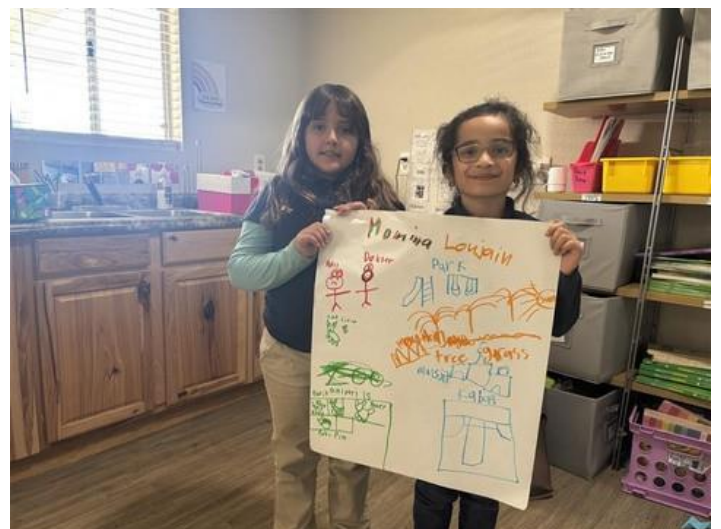

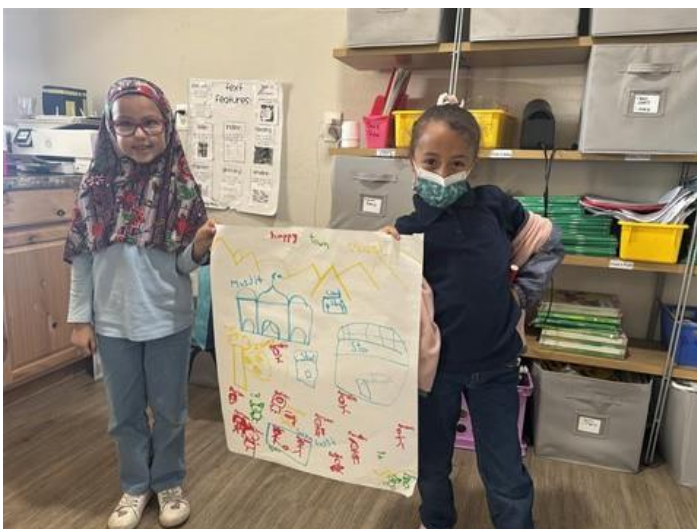

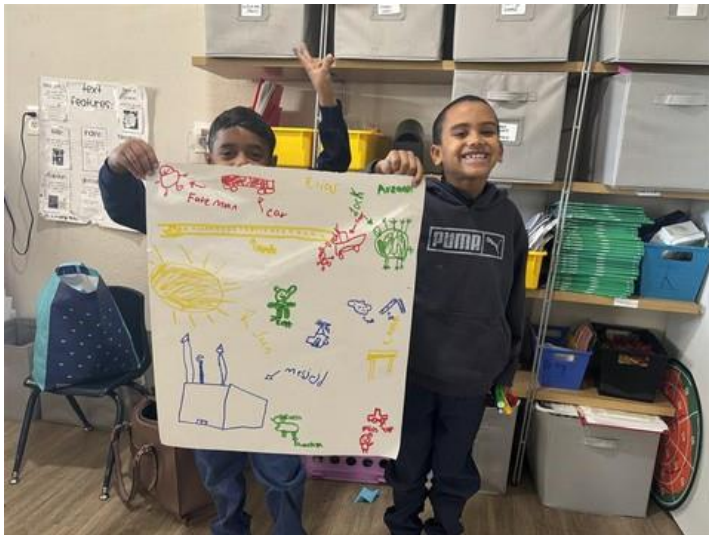

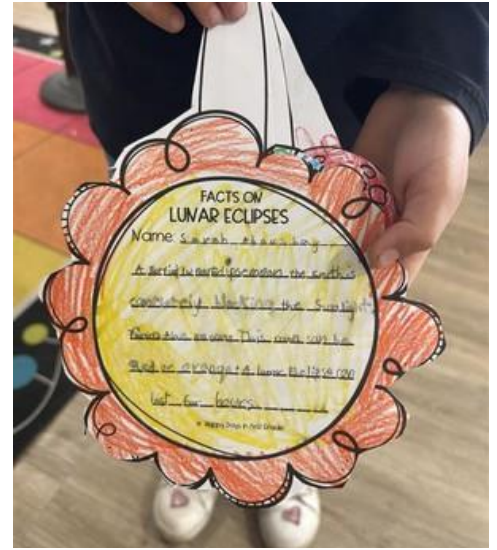

Teacher Professional Development

Our dedicated teachers took an important step in their professional growth by attending the “Well-Managed Classroom” training at the Arizona Department of Education.

The workshop provided valuable strategies for creating calm, organized, and supportive learning environments. We are truly proud of our teachers for continuously seeking ways to improve, grow, and strengthen the way they guide our students. May Allah bless their efforts and make this knowledge a source of success and harmony in our classrooms.
